Application for Student Grant 2021/22

To alleviate parents' financial burden in defraying education expenses, a regularized grant of \$2,500 for each secondary day-school, primary school and kindergarten student will be provided starting from the 2021/22 school year. The student grant is non-means-tested. All students who, as at the date of application, study in secondary day-schools, primary schools, special schools as well as kindergartens offering local or non-local curriculum in Hong Kong, are eligible for the grant.

EDB will distribute the "Student Grant" Application Forms and verify the student status via schools. For the Application Forms, there are Form A and Form B. Parents/Guardians are reminded to fill in the application forms according to the circumstances set out below:

Form B:

- In general, parents/guardians are only required to check the accuracy of the pre-printed information and choose the language of SMS notifications. If there is no change in the information pre-printed, **put a "✓" in the confirmation box** at the bottom part of the form, sign to confirm and submit the application form to EDB through the school. There is no need for you to fill in the information anew.
- If some of the pre-printed information on Form B requires updating (information other than Student's Name in English, Name of Day-school and School Type), parents/guardians have to provide the amendment(s) in the space above the relevant information in BLOCK letters using **black or blue ball pen** (correction fluid or tapes should not be used for making amendment(s)), **leave the confirmation box at the bottom of the form blank** and submit the application forms to the EDB through the school.
- If Student's Name in English, Name of Day-school or School Type pre-printed on Form B requires amendment(s), parents/guardians **should use Form A for application**.

Form A:

- For students who are newly admitted to a school, have transferred to another school, individual students without Form B provided by the EDB or those with the aforementioned essential particulars (i.e. Student's Name in English, Name of Day-school or School Type) requiring amendment(s), parents/guardians should use Form A for application. In completing the application forms, parents/guardians may refer to the reference information (including how to fill in bank account information correctly) uploaded onto the EDB website (<http://www.edb.gov.hk>) (Home > Students and Parents Related > Support and Subsidies > Student Grant).
