**“iAM Smart+” Registration for Student Grant e-Submission (2023/24 School Year)**

The Education Bureau will implement the electronic submission (e-Submission) of application for student grant (\$2,500) in government, aided, caput and Direct Subsidy Scheme (DSS) schools in the 2023/24 school year. To submit online applications, parents must have a user account of “iAM Smart+” with digital signing function.

“iAM Smart” users could conduct authentication, digital signing and “e-ME” form-filling functions via “iAM Smart” mobile app or website services so that users could easily log in and use the “iAM Smart” enabled online services. Furthermore, “iAM Smart” users could set up personalised notifications services for receiving government service updates with “iAM Smart” mobile app.

To facilitate parents to get well prepared, parents can, via the link below, book a session to register for “iAM Smart+” in-person at any designated schools in various districts from May to August this year. For details of the activities and enrolment in May and June, please refer to the attached poster.
